- MASH BILL 60% CORN, 36% RYE, 4% BARLEY
- BOTTLED IN BOND AT 100 PROOF AFTER 4YRS AGING
- NON-CHILL FILTERED

---

A perfect sipper that also shines in bourbon-based cocktails. On the nose, buttery toffee bar with poached pear and vanilla syrup, caramel wafer, candied cinnamon, and clove. On the palate, fruit dominates with spice underneath, making for a perfectly balanced bourbon. The finish is balanced and layered with sweet and spice slowly drifting away.

---

## RESILIENT – THE AMERICAN SPIRIT

Resilient straight bourbon whisky barrels are hand picked single barrels of quality. We are looking for barrels that are well balanced with grain and wood. Barrels that really shine and bring some great flavors to the nose and palate. We enjoy finding these barrels, bottling them up and bringing them forward to our friends and community of whisky enthusiasts.

Resilient Bottled in Bond barrels are hand selected and bottled up in very small batches of maybe four barrels at a time. The High Rye mash bill 60/36/4 from MGP has a complexity to it, an extra dimension of depth that brings a viscosity to the mouth feel and wide range of flavors to the palate.

Being bottled at 100 Proof is such an enjoyable level for this Bourbon.

Quality whisky, being transparent in the process with all the relevant information and bottled with enthusiasm, is our formula to being resilient in the ever changing times! Enjoy!
